

# Research Highlights for Young Researchers in Quantum Science and Technology

27 November

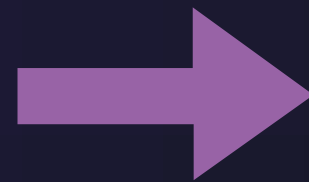

Aula Congressi CNR | Via Campi Flegrei 34 | Pozzuoli (NA)

The workshop aims to foster engaging discussions among young researchers in quantum science and technology. Participants will have the chance to interact with invited NQSTI experts and international guests. Research can be presented via poster sessions or selected short talks.

Abstract submission is required by 10 November at:
